This week Gayle is featuring Advanced Aesthetics on her "Ways to Save" segment. Watch as Barbie shares how you can

### **FIRE & ICE Facial**

Using custom blended acids to exfoliate the top dead layer and loosen the intracellular cement that leaves our skin dull and dehydrated you will feel the heat of firmina & collaagen

### **RejuvenEYES**

This groundbreaking treatment is made specifically to treat the delicate skin under and around the eyes

still receive all the greatest beauty treatments you love, at affordable prices!

stimulation!

Then an icy-cool blend of skin plumping hyaluronic acid, collagen, anti-oxidants and soothing aloe vera calm and rehydrate your skin.

This 30 minute treatment is a powerful skin firming and brightening treatment. \$150

around the eyes.

Custom blended Acids infused with active probiotic yogurt cultures work synergistically to peel away the "crepey" under eye tissue. We apply the peel and three days later, new, softer, plumper tissue is revealed! Best when completed in a series of 3. \$150/each session

**\$50** or  
prices **50%**  
savings
